

The **Chair of General Sociology** is offering a part-time position as

Student Assistant (all genders)

starting as soon as possible.

To support our team, the Chair of General Sociology is currently seeking a student assistant for **40 hours per month** (a contract with fewer working hours per month would also be possible).

If you are interested, please send your CV, a short motivation letter, and a recent transcript of records.

Your tasks include:

- Learning NetLogo and Agent Based Modelling to assist with teaching
- Literature research in sociological topics, e.g., migration and social inequality
- Help with organizational matters, e.g., administrative teaching tasks
- Basic data preparation using statistical software (e.g. Stata)

Your profile:

- Social sciences student, preferably sociology
- Ability to work independently
- Good academic performance
- High level of motivation and reliability
- Good command of English
- Willingness and motivation to learn new research methods and approaches
- R and/or STATA knowledge would be an advantage

What we offer:

- Flexible working hours
- Working in a strongly empirical-oriented research team
- Insights into academic teaching and research activities
- Work can be recognized as a mandatory internship in the Sociology program

The **University of Mannheim** is one of the leading universities in Germany with approximately 12,000 students in five schools. Particularly in business and economics as well as in the social sciences the university ranks among the top institutions both at national and international level. More than 2,600 employees profit from an exciting work environment with numerous benefits.

The **Chair of General Sociology** is committed to the principles of an explanatory sociology and strives both in research and teaching for a close integration of theoretical, methodological and substantive work. The aim is to explain the emergence of social phenomena on the basis of the underlying social mechanisms and to empirically investigate and test these explanations.
