Role Profile

**Job Title:** European Policy Intern  
**Department:** Global & European Policy

**Reporting to:** European Policy Manager  
**Location:** Brussels

**Start date:** September 2019  
**Monthly allowance:** up to 650 euros

**Internship agreement:** required

FTA is the largest national logistics association in Brussels, uniquely representing both operators and buyers of transport (retailers and manufacturers), with members from the road, rail, sea and air industries. We are founding members of the International Road transport Union (IRU) and the European Logistics Platform (ELP). FTA also provides the secretariat to the Global Shippers Forum (GSF), the worldwide association of importers and exporters.

Our office in Brussels has been in operation for more than 25 years and represents both FTA and FTA Ireland, the Irish logistics association.

**Job Summary:**

FTA are looking for an Intern for their Brussels office for a period of approx. 6 months, starting in September 2019. This internship will provide valuable insights, contacts and experience for candidates interested in logistics, transport and trade policy and in how a leading national association operates in Brussels.

The intern will be asked to assist with a range of tasks. These will include requests to:

- support FTA Brussels-based team with the organisation of events, workshops and meetings with industry representatives and policy makers;
- conduct background research into specific logistics or trade-related topics to inform FTA policy briefings, presentations, policy positions and lobbying arguments;
- assist with the preparation of briefing notes and newsletter articles for FTA members;
- gather statistics and material to inform FTA’s policy team in Brussels;
- help FTA's Brussels-based team maintain its database of institutional contacts;
- monitor policy developments and activities in and around the EU institutions on a wide range of topics, from road transport legislation to environmental policy, trade policy and Brexit;
- attend external events on behalf of FTA and prepare briefing notes to summarise these for FTA’s Brussels-based team and, as appropriate, other FTA colleagues;
- provide administrative support as requested, such as minutes drafting or preparation of the template for FTA’s Brussels newsletters.

**Essential Skills & Qualifications:**

- Educated to degree level (European studies, law or politics preferred) or studying towards a degree, with a good understanding of EU processes and policy making;
- Ability to explain complex regulatory issues in simple terms;
- Excellent drafting skills & oral communication skills (English is FTA’s working language);
- Excellent organisational skills & ability to work independently;
- Pro-active attitude and solution-orientated;
- Good knowledge of Word, Excel, Outlook, PowerPoint & social media;
- Interest in the transport and logistics sector.
Additional Requirements:

- Prior experience in Brussels or in a trade association would be beneficial
- Knowledge of at least one of the following policy areas is desirable:
  - Trade & customs
  - Road transport policy & employment policy
  - Environmental & climate policy.
- Any additional language – beyond English – such as Dutch or German – would be advantageous.

Please email your CV and cover letter to Sarah Laouadi (slaouadi@fta.co.uk) by 15 May.

The internship must be part of the student’s curriculum. It is only open to students whose university/school can provide an internship agreement.

You may be required to perform other duties commensurate with your role/level.

Your offer letter and/or terms and conditions state the location to which you are first appointed. Please be aware you may be transferred to work at or be required to travel to other offices/locations as appropriate.

Confidentiality
Any FTA data and information, other than that contained in authorised and publicly available documents must be kept confidential. It must not be shared with any other party without prior written consent.

Impartiality
Vehicle Inspection Services provide ‘independent third party inspection’ of all types of vehicles, FTA will manage any conflict of interest and ensure the objectivity of our systems is not compromised.

It is your responsibility to notify FTA where you feel that confidentiality/impartiality has or may be compromised.

Health & Safety
FTA expects all staff to maintain a positive attitude to health and safety in carrying out all responsibilities and to cooperate with the Health & Safety Policy and Codes of Practice relating to Health & Safety.

Equal Opportunities
FTA is committed to providing a non-discriminatory and harassment free working environment for all its employees.

Customer Care
It is essential to provide the highest standard of service at all times when dealing with members and colleagues.
