

## **PWP Summer Analyst Programme 2024**

### **Our Firm:**

Perella Weinberg Partners is a leading global, independent investment banking firm. We provide comprehensive, independent advice to help our clients achieve their highest priority strategic objectives. Our collaborative team of bankers, with broad and deep industry expertise, deliver novel insights, differentiated guidance, and tailored solutions for our clients. In 2016, Perella Weinberg Partners joined forces with Tudor Pickering Holt & Co (TPH)<sup>1</sup>, adding an energy M&A advisory franchise along with an energy securities research, underwriting, and trading services business to PWP.

Our bankers' extensive and unparalleled advisory experience enables us to assist our clients as they navigate opportunities and challenges in any market environment. With approximately 560 employees, PWP currently maintains offices in New York, Houston, London, Calgary, Chicago, Denver, Los Angeles, Paris, Munich, and San Francisco.

### **Our Internship Programme:**

Our global internship programme is differentiated. We bring together a diverse group of individuals and partner them with our industry experts to provide an unparalleled learning and mentoring experience.

We believe the best way to learn is on the job. As a valued member of the team, you will play a meaningful role on projects and gain exposure to clients and senior bankers across the Firm. Our entrepreneurial environment encourages you, like all bankers, to take on an outsized level of responsibility and make an impact.

Our goal is to offer interns full-time Analyst positions and ultimately, to provide a career path to Associate and beyond. We consider your career development one of the Firm's most important investments from day one. Our one-week training programme and on-going curriculum will position you to thrive in any situation – whether analytical, relationship-building or client-facing.

A collegial, close-knit and collaborative culture is essential. We will provide you with opportunities to develop meaningful relationships and lasting friendships. Your experience is complemented by a formal mentor / buddy programme, wellness and volunteer initiatives, and team building events.

Throughout the programme, we strive to create an inclusive environment that stimulates, rewards, and helps you grow. Come and join us!

### **Your Responsibilities:**

- Analysis and research of company and industry specific financial information
- Conduct quantitative analysis and financial valuation
- Create client presentations
- Engage in due diligence processes
- Coordinate the execution of advisory mandates as part of a deal team

### **About You:**

- Completing an undergraduate degree between July 2024 – July 2025
- Business proficient language skills in English, and German for those interested in the Munich office
- Historically competitive academic standing
- Intellectual curiosity and aptitude for problem solving and numerical analysis
- Thorough grasp of financial concepts
- A strong work ethic and a high level of personal integrity
- A positive and collaborative attitude
- Clear and concise communication skills
- Desire to take initiative and excel at what you do
