

Position as Student Research Assistant

The chair of **General Sociology (Lehrstuhl für Allgemeine Soziologie, Prof. Dr. Frank Kalter)** is looking for a

Student Research Assistant
approximately 40 hours per month
starting in August, September, or October 2018

to support the chair in its research and teaching activities. Your tasks will primarily include:

- Supporting the chair in its research activities (e.g., literature research, preparation of manuscripts and presentations)
- Data preparation and analysis
- Support in administrative tasks

Prerequisites:

- Advanced BA student or MA student in Sociology or related field
- Skills in a statistical software package (R, Stata, or similar) and quantitative data analysis
- Skills in MS Office
- Good command of German and English

Student research assistants are paid according to the student research assistant payment scheme at the University of Mannheim.

Please apply by sending your application as one PDF document including a short cover letter (max. ½ page), CV, and university transcripts to dkretsch@mail.uni-mannheim.de (in German or English language).

The review process starts immediately.

Please contact David Kretschmer (dkretsch@mail.uni-mannheim.de) if you have any further questions.
