

## ***Certificate of the expected completion of the degree program and recognition of the degree program under professional law***

Name: \_\_\_\_\_ First name: \_\_\_\_\_ Date of birth: \_\_\_\_\_

currently \_\_\_\_\_ (date) has the following score \_\_\_\_\_ in the degree program \_\_\_\_\_ (name of the degree program) at the higher education institution \_\_\_\_\_ (name of the higher education institution)

The standard period of study in this degree program is \_\_\_\_\_ semesters.

In case of a regular course of study, completing the degree until 30 September \_\_\_\_\_

- is possible
- is not possible because

Please note: The internship can be completed until the final degree certificate has been issued or until the beginning of the first semester in the master's program.

**To take up a master's program with a focus on Clinical Psychology and Psychotherapy, the contents specified in PsychThG and PsychThApprO must have been implemented in the bachelor's degree program.**

Please tick the appropriate box (in the case of B, C and C\*, please complete Annex 1):

- A) New bachelor's degree program in Psychology recognized under professional law: The degree program has been recognized under professional law or the responsible state examination has announced to do so:**  
The student has completed **all** the content required in the bachelor's program according to sections 7 and 9 of the law on the occupation of psychotherapists (PsychThG) as well as sections 12-15 and Appendix 1 of the licensing regulations for Psychotherapists (PsychThApprO) or will have completed it when graduating from the degree program.  
With the notification dated \_\_\_\_\_, the relevant state authority has recognized the degree program under professional law or has announced to do so.  
*If this is already shown on your bachelor's degree certificate or the transcript of records, this certificate does not have to be submitted.*
- B) Existing bachelor's program in Psychology with options for post-qualification which are coordinated with the competent health authority of the Land ("equivalence"):**  
The student has completed **all** the content required in the bachelor's program according to sections 7 and 9 of the law on the occupation of psychotherapists (PsychThG) as well as sections 12-15 and Appendix 1 of the licensing regulations for Psychotherapists (PsychThApprO) or will have completed it when graduating from the degree program.  
The degree program is not (yet) recognized under professional law. However, the necessary options for post-qualification are offered **within** the course of study. This process has been agreed upon with the competent health authority of the Land (e.g., by submitting an overview table showing the comparability of the modules with the requirements of the PsychThApprO)  
**Please note: In this case, either the communication from the health authorities on the recognition of the post-qualifications or an overview table specifying the courses with which the training objectives comparable to the PsychThApprO are achieved (see template in Annex 1) must be attached.**

**C) Existing bachelor's degree program without notification on the recognition under professional law/without recognized post-qualification:**

*As part of the regular course of study (and additional qualifications / post-qualifications), the student has **all** the content required for a bachelor's degree program in accordance with Sections 7 and 9 PsychTG as well as Sections 12-15 and Annex 1 of the PsychThApprO or will have completed the content at the end of the degree program.*

*The health authority has not (yet) recognized the degree program under professional law and the implementation of the above-mentioned contents in the modules /events or extra courses) has (not) yet been reviewed by the competent authority of the Land. From the point of view of the signing university, the criteria of the PsychThApprO are nevertheless met.*

***Attention: In this case, an overview table must be attached, which specifies the courses with which the training objectives comparable to the PsychThApprO are achieved (see template in Appendix 1).***

**C\*) New or reformed bachelor's degree program conforming to the licensing regulations which is currently under review for becoming recognized under professional law by the competent authority of the Land**

*The student has completed **all** the content required in the bachelor's program according to sections 7 and 9 of the law on the occupation of psychotherapists (PsychThG) as well as sections 12-15 and Appendix 1 of the licensing regulations for Psychotherapists (PsychThApprO) or will have completed it when graduating from the degree program. The professional recognition is currently under review.*

***Attention: In this case, an overview table must be attached, which specifies the courses with which the training objectives comparable to the PsychThApprO are achieved (see template in Appendix 1).***

**D) Non-compliance:**

*The student does not meet the criteria for admission to a master's program in Psychology with a focus on Clinical Psychology and Psychotherapy in accordance with PsychThG and PsychThApprO (e.g. no post-qualification options are offered within the degree program or the elective modules were not taken in accordance with PsychThApprO).*

**Please also complete the following:**

**Status of the higher education institution:**

*The higher education institution is a university or a higher education institution equivalent to a university*
