

Confirmation of fulfillment of the requirements of an internship as orientation internship

in accordance with Section 14 of the licensing regulations for psychotherapists (Approbationsordnung für Psychotherapeutinnen und Psychotherapeuten (PsychThApprO)) of 4 March 2020¹

If you have **completed** a bachelor's degree in Psychology not (yet) recognized under professional law **at a German university, an equivalent higher education institution or at a university abroad**, you must prove that the internships completed during the program of study meet the requirements of the **orientation internship** in accordance with Section 14 PsychThApprO so that the degree can be recognized as equivalent. To ensure that your (planned) internship meets the requirements of the orientation internship, this form must be completed by your home university. If you receive a study place at the University of Mannheim, this form must be submitted to the Regierungspräsidium Stuttgart for review when submitting the request to have your degree recognized as equivalent. Please pay attention to the correctness and completeness of the information.

apply**

Duration/scope:

Duration of at least 4 weeks / at least 150 hours

Form of internship:

- In block (at least 4 weeks) or
- during studies / in part-time

Combination of orientation internship and professionally qualifying activity I:

Orientation internship and professionally qualifying activity I are completed at the same institution and without interruption. (In this case, for each internship of the two types of internship, a "confirmation of fulfillment of the requirements of an internship as orientation internship" or "as professionally qualifying activity I" must be obtained.)
