

**Confirmation of fulfillment of the requirements of an internship as professionally qualifying activity I - Start into psychotherapy work**  
in accordance with Section 15 of the licensing regulations for psychotherapists (Approbationsordnung für Psychotherapeutinnen und Psychotherapeuten (PsychThApprO)) of 4 March 2020<sup>1</sup>

If you have **completed** a bachelor's degree in Psychology not (yet) recognized under professional law **at a German university, an equivalent higher education institution or at a university abroad**, you must prove that the internships completed during the program of study meet the requirements of the **professionally qualifying activities I** in accordance with Section 15 PsychThApprO so that the degree can be recognized as equivalent.

To ensure that your (planned) internship meets the requirements for the professionally qualifying activity I, this form must be completed by your home university. If you receive a study place at the University of Mannheim, this form must be submitted to the Regierungspräsidium Stuttgart for review when submitting the request to have your degree recognized as equivalent. Please pay attention to the correctness and completeness of the information.
