What did you especially like about the course?

It was a very, very good course

incentive to work on the proposal / chapter / article from the dissertation + feedback from peers.

Nice atmosphere and interesting discussions. Feedback given by the reviewer and Thomas were very helpful.

Enough time to discuss open questions

What could/should be improved?

At the GESS for the evaluations you should generally delete questions that do not make sense.

Timing of first workshop was a bit early (could be moved from March to April)
