

Nikoletta Symeonidou

Doctoral Candidate
Chair of Cognitive Psychology and Cognitive Aging
University of Mannheim

L13, 15, Room 320
68161 Mannheim
☎ (+49) 621 - 181 3390
nsymeoni@mail.uni-mannheim.de

Academic positions

- 02/2020–03/2020 **Visiting Researcher at the University of Missouri**, Missouri
Department of Psychological Sciences, Memory and Cognitive Aging Lab
Advisor: Moshe Naveh-Benjamin
- Since 05/2018 **Research assistant** in a project on source forgetting in younger and older adults (**Emmy Noether program**)
Chair of Cognitive Psychology and Cognitive Aging
University of Mannheim
Advisor: Beatrice G. Kuhlmann
- 02/2018 – 04/2018 **Research intern at the Cardiff University**, United Kingdom
Social & Environmental Psychology, project on the Spatial Agency Bias
Advisor: Ulrich von Hecker
- 09/2014 – 01/2018 **Student research assistant**
Chair for Cognitive Psychology and Individual Differences
University of Mannheim

Education

- Since 05/2018 **Doctoral (Ph.D.) student in Cognitive Psychology**
DFG Research Training Group “Statistical Modeling in Psychology” (SMiP)
Thesis topic: *Emotional Source Memory: (Why) Are emotional sources remembered better?*
Advisors: Beatrice G. Kuhlmann, Mandy Hütter, Edgar Erdfelder
- 09/2015 – 05/2018 **Master of Science**
University of Mannheim
Thesis topic: *Memory impairment as a function of test anxiety: Encoding or retrieval disadvantage?*
Advisors: Edgar Erdfelder and Lena Nadarevic

- 01/2017 – 05/2017 **Semester abroad**
University of Jyväskylä, Finland
- 09/2012 – 07/2015 **Bachelor of Science**
University of Mannheim
Thesis topic: *Is the effect of processing fluency on metacognitive judgments moderated by people's naive theories of intelligence?*
Advisors: Edgar Erdfelder and Monika Undorf

Research Interests

Emotional memory
Source memory and source forgetting
Cognitive Aging
Psychological meaning of colors
Mathematical modelling of cognitive processes

Peer-Reviewed Publications

- Symeonidou, N.**, & Kuhlmann, B. G. (2021). A novel paradigm to assess storage of sources in memory: the source recognition test with reinstatement. *Memory*, 1-17.
<https://doi.org/10.1080/09658211.2021.1910310>
- Nadarevic, L., **Symeonidou, N.**, & Kias, A. (2021). In colore veritas? Color effects on the speed and accuracy of true/false responses. *Psychological Research*, tba.
<https://doi.org/10.1007/s00426-021-01528-z>
- Kuhlmann, B. G., **Symeonidou, N.**, Tanyas, H., & Wulff, L. (2021). *Remembering and Reconstructing Episodic Context: An Overview of Source Monitoring Methods and Behavioral Findings* [Chapter submitted for publication]. In *Psychology of Learning and Motivation*. Elsevier.

Conference Contributions

- Symeonidou, N.**, & Kuhlmann, B. G. (2021, May). *Memory for Emotional Events: Do Valence and Arousal Affect Memory for Contextual Details?* Poster presented at the 38th Symposium for Clinical Psychology and Psychotherapy, Mannheim, Germany [online conference].
- Symeonidou, N.**, & Kuhlmann, B. G. (2021, April). *Emotional valence and arousal of sources does not improve source memory.* In L. Wulff (Chair), *Source memory*. Symposium conducted at the 63rd Conference of Experimental Psychologists (TEAP), TeaP@Home (Ulm, Germany).
- Symeonidou, N.**, & Kuhlmann, B. G. (2020, March). *Emotional content = better memory!?! Source memory deficit for negative high-arousing sources.* Abstracts of the 62nd Conference of Experimental Psychologists (TEAP), Jena, Germany.

Kuhlmann, B. G., & **Symeonidou, N.** (2019, November). *A Storage-Retrieval Extension of the Two-High-Threshold Multinomial Model of Source Monitoring*. Talk presented at the 60th Annual Meeting of the Psychonomic Society, Montreal, Canada.

Wulff, L., & **Symeonidou, N.** (2020, November). *Final Destination: Memory! Determinants of Remembering to Whom You Gave What*. Poster presented at the 60th Annual Meeting of the Psychonomic Society, Montreal, Canada.

Symeonidou, N., & Kuhlmann, B. G. (2019, June). *Emotional source memory: (Why) Are emotional sources remembered better?* Poster presented at the 34th IOPS Summer Conference, Utrecht, Netherlands.

Symeonidou, N., & Kuhlmann, B. G. (2019, April). Source reinstatement facilitates source retrieval. In L. Wulff & N. Symeonidou (Chair), *Rethinking source memory and guessing: General mechanisms and determinants*. Symposium conducted at the 61st Conference of Experimental Psychologists (TEAP), London, UK.

Nadarevic, L., Gebhardt, S., Gröger, M.-S., & **Symeonidou, N.** (2017). *In colore veritas? Investigating automatic color-validity associations with a Stroop paradigm*. Abstracts of the 20th meeting of the European Society for Cognitive Psychology (p.209-210). Potsdam: European Society for Cognitive Psychology.

Invited Talks

November 2020 **Emotional content = better memory!?! Reduced memory for negative arousing contexts**, *Eberhard Karls University Tübingen*.
Department of Social Cognition and Decision Sciences (Mandy Hütter)

January 2021 **Behavioral Research Online: A Valid Alternative?**, presented together with Wulff, L., *Heinrich Heine University Düsseldorf*.
Department of Mathematical and Cognitive Psychology (Ute J. Bayen)

Workshops

2019 **8th Workshop for Doctoral Students in Experimental Psychology (A-Dok)**, *Mannheim, Germany*.
Symeonidou, N., & Kuhlmann, B. G. *Emotional Source Memory: (Why) Are emotional sources remembered better?*

2019 – 2020 **academia – Leadership Program for Female Doctoral Students**, *Mannheim, Germany*.

2019 **9th Annual JAGS and WinBUGS Workshop on Bayesian Modeling for Cognitive Science**, *Amsterdam, Netherlands*.

Teaching experience

Spring semester 2021 **Seminar on research methods in experimental psychology**
(Topic: Emotional source memory)
Level: B.Sc.

Spring semester 2019 **Seminar on research methods in experimental psychology**
(Topic: Destination memory)
Level: B.Sc.
