

Academic Positions

since 2020 **Research Assistant**, *Chair of Cognitive Psychology and Cognitive Aging, University of Mannheim.*

Project: BEETHOVEN Classic 3 – Polish-German Funding Initiative

Context-dependent remembering in older adults

PI & Advisors: Marciej Hanczakowski (SWPS University of Social Sciences and Humanities);
Beatrice G. Kuhlmann (University of Mannheim)

Teaching Assistant, *Chair of Cognitive Psychology and Cognitive Aging, University of Mannheim.*

Advisor: Beatrice G. Kuhlmann

2020 **Teaching Assistant**, *Chair of Experimental Psychology, University of Mannheim.*

Advisor: Arndt Bröder

2017 – '20 **Research Assistant**, *Chair of Cognitive Psychology and Cognitive Aging, University of Mannheim.*

Project: Age-related differences in episodic memory: The role of test format adaptivity and options for support

PI & Advisor: Beatrice G. Kuhlmann

Education

2020 **Doctorate in Cognitive Psychology (equivalent to Ph.D.)**, *University of Mannheim.*

Graduate School of Economic and Social Sciences (GESS)

Center for Doctoral Studies in the Social Sciences (CDSS)

Thesis: The nature of knowledge reliance in source guessing

Final grade: magna cum laude

2016 **Master of Science**, *Heinrich Heine University Düsseldorf.*

Thesis: Is the strength of implicit and explicit age stereotypes associated with source guessing bias?

Final grade: 1.29

2014 **Bachelor of Science**, *Heinrich Heine University Düsseldorf.*

Thesis: "Old people are ...": Norming age-stereotypic material for source-monitoring experiments

Final grade: 1.75

Peer-Reviewed Publications

Kuhlmann, B. G., Symeonidou, N., Tanyas, H., & **Wulff, L.** (2021). Remembering and re-constructing episodic context: An overview of source monitoring methods and behavioral findings. In K. Federmeier & L. Sahakyan (Eds.), *The Psychology of Learning and Motivation*. <https://doi.org/10.1016/bs.plm.2021.06.002>

Multidimensionality of younger and older adults' age stereotypes: The interaction of life domain and adjective dimension. *The Journals of Gerontology Series B: Psychological Sciences and Social Sciences*, 72, 436–440. <https://doi.org/10.1093/geronb/gbv049>.

University Service

- 2021 **Representative of academic staff members in the Senate Committee on Equal Opportunity**, *University of Mannheim*.
- 2021 **Member of the selection committee for the best BA and MA theses in the subject of psychology**, *University of Mannheim*.
- 2019 **Organization of the 8th Workshop for doctoral students in Experimental Psychology (A-Dok)**, *University of Mannheim*.
see <https://www.uni-mannheim.de/adok2019/> for more information

Conferences

Wulff, L., & Kuhlmann, B. G. (2021). *Lacking source memory: Biased source guessing based on pre-experimental knowledge?* Abstracts of the 63rd Tagung experimentell arbeitender Psychologen (TeaP).

Symposium: Source Memory (Organization: L. Wulff & N. Symeonidou)
Ulm, Germany.

Wulff, L., & Kuhlmann, B. G. (2020). *Beyond source memory: What governs our memory for the destination of outgoing information?* Abstracts of the 62nd Tagung experimentell arbeitender Psychologen (TeaP).

Symposium: Source Memory (Organization: L. Wulff & N. Symeonidou)
Jena, Germany.

L13, 15 (Room 421) – 68161 Mannheim

☎ (+49) 176 907 907 07 • ✉ wulff@psychologie.uni-mannheim.de

Social Media: 🐦 @WulffLiliane

Wulff, L., & Symeonidou, N. (2019). *Final destination: memory! Determinants of remembering to whom you gave what.* Poster presented at the Annual Meeting of the Psychonomic Society. Montréal, Canada.

Wulff, L., & Kuhlmann, B. G. (2019). *Is source guessing automatic or controlled? Examining cognitive load and aging.* Presentation given at the 61st Tagung experimentell arbeitender Psychologen (TeaP).

Symposium: Rethinking source memory and guessing: General mechanisms and determinants (Organization: N. Symeonidou & L. Wulff)
London, UK.

Wulff, L., & Scharf, S. E. (2018). *Unpacking source monitoring: What mouse movements reveal about the underlying cognitive processes.* Poster presented at the Annual Meeting of the Psychonomic Society. New Orleans, USA.

Wulff, L., & Kuhlmann, B. G. (2018). *Stereotype reliance in source guessing: Stability across time and stimulus domain.* Poster presented at the International Meeting of the Psychonomic Society. Amsterdam, Netherlands.

Wulff, L., & Kuhlmann, B. G. (2018). *Stereotype reliance in source guessing: state versus cognitive trait?.* Presentation given at the 60th Tagung experimentell arbeitender Psychologen (TeaP). Marburg, Germany.

Wulff, L., Schaper, M. L., Kuhlmann, B. G., Bayen, U. J., & Meissner, F. (2017). *Age stereotype reliance in source guessing: Implicit or explicit?.* Poster presented at the 59th Tagung experimentell arbeitender Psychologen (TeaP). Dresden, Germany.

Invited Talks

- 2021 **Behavioral research online: A valid alternative? (together with Nikoletta Symeonidou),** *Heinrich Heine University Düsseldorf.*
Department of Mathematical and Cognitive Psychology (Ute J. Bayen)
- 2018 **How to qualify the underlying mechanisms of stereotype reliance in source guessing?,** *Heinrich Heine University Düsseldorf.*
Department of Mathematical and Cognitive Psychology (Ute J. Bayen)

Workshops

- 2021 **Generative Episodic Memory (GEM) workshop,** *Bochum, Germany.*
Wulff, L., & Kuhlmann, B. G. (2021). *Source reconstruction from an aging perspective: How younger and older adults infer contextual details from the past*
- 2019 **8th Workshop for doctoral students in Experimental Psychology (A-Dok),** *Mannheim, Germany.*
Wulff, L., & Kuhlmann, B. G. *Source guessing = automatic vs. controlled? Evidence from younger and older adults*

L13, 15 (Room 421) – 68161 Mannheim

☎ (+49) 176 907 907 07 • ✉ wulff@psychologie.uni-mannheim.de

Social Media: 🐦 @WulffLiliane

- 2018 **7th Workshop for doctoral students in Experimental Psychology (A-Dok)**, Mainz, Germany.
Schnuerch, M., & Wulff, L. *As you like it: Social value affects recognition memory.*
Wulff, L., & Kuhlmann, B. G. *Automaticity vs. controllability of source guessing: A dual-task approach.*
- 2018 **Summer School on perspectives on human memory: Memory functioning and memory failures**, Weggis, Switzerland.
Organized by the Swiss Graduate School for Cognition, Learning, and Memory
- 2017 – '18 **acadeMIA – Leadership training program for young female researchers**, Mannheim, Germany.
- 2017 **7th Annual JAGS and WinBUGS Workshop on Bayesian modeling for cognitive science**, Amsterdam, Netherlands.
Wulff, L., & Kuhlmann, B. G. *Source guessing as a cognitive trait: Parameter stability across time*
- 2017 **6th Workshop for doctoral students in Experimental Psychology (A-Dok)**, Ulm, Germany.
Wulff, L., & Kuhlmann, B. G. *Stereotype-reliance in source guessing: A stable cognitive trait?!*

Funding

- 2021 **Bojanovsky Prize of the Prof. Dr. Anna and Prof. Dr. Jörg Jiri Bojanovsky Foundation**, University of Mannheim, €1,000.
Awarded for the publication “Unpacking stereotype influences on source-monitoring processes: What mouse tracking can tell us” together with Dr. Sophie E. Scharf
- 2021 **Start-up funding for DFG grant proposal**, University of Mannheim, €2,263.80.
- 2019 **Women Go Abroad – Mobility grants for young female researchers**, University of Mannheim.
Travel scholarship for international conferences
- 2018 **Rationale Altruisten Mannheim (RAM)**, University of Mannheim.
Travel scholarship for international conferences
- 2018 **German Academic Exchange Service (DAAD)**.
Travel scholarship for international conferences
- 2016 **Graduate School of Economic and Social Sciences (GESS)**, University of Mannheim.
Six-month full-study scholarship

Teaching Experience

- upcoming **Introduction to R.**
in Nov Graduate School of the Central Institute of Mental Health, Mannheim
2021

L13, 15 (Room 421) – 68161 Mannheim

☎ (+49) 176 907 907 07 • ✉ wulff@psychologie.uni-mannheim.de

Social Media: 🐦 @WulffLiliane

- Fall 2021 **Seminar in Developmental Psychology: Typically young, typically old?! Age stereotypes put to the test.**
Level: B.Sc.
- Spring 2021 **Seminar in Research Methods: Empirical research on source monitoring.**
Level: B.Sc.
- Fall 2020 **Seminar in Developmental Psychology: Typically young, typically old?! Age stereotypes put to the test.**
Level: B.Sc.
- Spring 2020 **Seminar in Research Methods: Empirical research on destination memory.**
& 2019 Level: B.Sc.
- Spring 2018 **Seminar in Research Methods: Empirical research on source monitoring.**
Level: B.Sc.

Professional Experience

- 2016 **Working Student**, *Federal Highway Research Institute (BAST)*.
Project: European Survey of Road Users' Safety Attitudes (ESRA)
- 2015 **Student Assistant**, *Heinrich Heine University Düsseldorf*.
Department of Mathematical and Cognitive Psychology (Ute J. Bayen)
